UPGRADE YOUR WEATHER
Not Just a Home.
A Climate, Crafted for You.

At Eternia, the landscape is designed to create its own gentle micro-climate. Layered greenery, shaded walkways, and themed gardens work together to naturally cool the environment, purify the air, and soften the outdoor experience. This creates pockets of comfort throughout the community, making the outdoors feel inviting through every season. It is not just landscaping but climate-responsive design that elevates everyday life.

THE VISION

An Eternia of *Community* and *Landscape*

Eternia grows from the ground up.
The Central Grand Walk connects homes, gardens, and
plazas into one continuous flow of life and greenery.

Expansive
Landscaped greenery

70%
Open spaces for wellness
and community

Micro-Climates
and privacy zones across the layout.

An Eternia of *Green Stories*

The gardens offer a different mood and experience, collectively helping to reduce the temperature in these pockets while bringing you spaces filled with silence and fragrance, stillness and joy.

STEP UP TO SERENITY

Amphitheatre

Where Every Hour Feels Like an *UPgrade*

Begin your day in refreshing green spaces and unwind as the day fades into vibrant, thoughtfully designed social zones. At Eternia, every hour brings a new way to live better.

Outdoor Fitness Zones

An Eternia of *Leisure* and *Lifestyle*

LEVEL UP LIFE

68,000+ sq. ft.

spread across two clubhouses

Because First *Impressions Matter*

Designed to leave a lasting impact, this double-height clubhouse lobby brings together spacious volumes, elegant finishes, and a sense of understated luxury that defines Eternia.

Double Height Clubhouse Lobby

LIVE. UNWIND. REPEAT.

*RETREAT FOR YOUR BODY,
MIND & SOUL*

Spaces Designed for *Every Chapter of Life*

Be it restful retreats, safe toddler space or vibrant social gatherings. Eternia's clubhouse is crafted as a collection of spaces that cater to every lifestyle, all under one roof.

An Eternia of *Comfort*

The shared spaces carry the same design philosophy,
with grand, light-filled lobbies and carefully curated
details that elevate the experience of coming home.
Nothing here is excessive or overstated.

Living areas feel open yet intimate, designed to host conversations, pauses, and everyday moments with equal ease.

With a focus on smart planning and clean lines, the kitchens are designed to keep everyday living simple, efficient, and uncluttered.

Every space is envisioned to offer a sense of calm and understated elegance, shaping a refined everyday experience.

Specifications

1) STRUCTURE

- Sub Structure** – Basements with RCC to withstand wind and seismic Loads
- Super Structure** - RCC Monolithic Shear wall slab structure, in line with the applicable codes. Block work with Solid/AAC Blocks in the designated areas

2) EXTERNAL & COMMON AREA FINISHES

- Exterior** – Paint finish over Texture on RCC wall surfaces
- Ceiling Finishes** – Paint finish Over RCC/ False Ceiling
- Wall Finishes** – Paint finish Over Texture or Putty on RCC/ Cladding
- Floor Finishes** - Natural Stone / Cement / Tile flooring

3) ELEVATORS / LIFTS

- Passenger Lifts:** Automatic elevators of reputed make in all Towers, with ARD, Surveillance, and VF Drive technology
- Service Lift:** One Automatic elevator of reputed make for Fire / Service in each Tower, with ARD, Surveillance and VF Drive technology and is designed to carry goods

4) DOORS & WINDOWS

- Main Door:** African Teak wood door frame with teak veneer flush shutter finished in PU polish, hardware fittings of premium brand
- Utility Door:** UPVC Single openable Casement Door
- All Internal Doors:** Solid Hard wood door frame with PU polish, Laminate flush shutter, hardware fittings of premium brand
- Balcony Doors:** UPVC Sliding System with single glazed glass with provision for fly mesh and designed for wind loads
- Windows:** UPVC Fixed / Casement System with single glazed glass with provision for fly mesh and designed for wind loads
- Ventilators:** UPVC Fixed / Casement System with single glazed glass with provision for exhaust fan

5) DRAWING / FOYER / LIVING / DINING ROOM

- Walls:** Premium emulsion paint over two coats of Putty on RCC/Plaster Surface
- Ceiling:** False Ceiling cornice as per design to cover the services lines, finished with premium emulsion paint
- Flooring:** Vitrified tiles of reputed make
- HVAC:** Provision for Drain, Power and Routing
- TV:** Wall mounted TV provision with LAN Points in Drawing area for all the Flats, in Living/Dining area for 2.5 BHK & 3 BHK flats.

6) BEDROOMS

- Walls:** Premium emulsion paint over two coats of Putty on RCC/Plaster Surface
- Ceiling:** False Ceiling Cornice as per design to cover the services lines, finished with premium emulsion paint
- Flooring:** Vitrified tiles of reputed make
- HVAC:** Provision for Drain, Power and Routing
- TV:** Wall mounted TV provision with LAN point in Master Bedroom

7) KITCHEN

No Kitchen Counters are Provided, plumbing provision for Sink will be provided

- Walls:** Premium emulsion paint over two coats of Putty on RCC/Plaster Surface
- Ceiling:** False Ceiling Cornice as per design to cover the services lines, finished with premium emulsion paint
- Flooring:** Vitrified tiles of reputed make
- RO:** Electrical and Plumbing Provision for RO
- Exhaust/Chimney:** Electrical & Space provision to fix the Exhaust fan/Chimney
Electrical Provision for Hob, Chimney, Refrigerator, Microwave/Oven, Mixer/Grinder in Kitchen

8) BALCONIES

- Walls:** Premium emulsion Paint over Texture/Putty on RCC walls
- Ceiling:** Premium emulsion Paint over Putty on RCC Surface
- Flooring:** Vitrified/Ceramic tiles of reputed make
- Railing:** MS Railing as per the design

9) ELECTRICAL

- Provision for Call bell point
- 6A sockets in all rooms for general use
- Switches – Reputed make switches will be provided

10) UTILITY

- Walls:** Ceramic/Vitrified Tile Dado on walls up to 1200 mm height.
- Ceiling:** False Ceiling Cornice as per design to cover the services lines, finished with premium emulsion paint
- Flooring:** Ceramic/Vitrified tiles of reputed make
- Dish washer:** Electrical and Plumbing Provision for Dishwasher in 2.5 BHK & 3 BHK flats
- Washing Machine:** Electrical and Plumbing Provision for Washing machine

11) TOILET

- Walls:** Ceramic/Vitrified Tile Dado on walls up to False Ceiling and above will be painted with Primer
- Ceiling:** Grid False Ceiling as per design
- Flooring:** Ceramic/Vitrified tile flooring
- Sanitary Fittings:** Reputed make Sanitary fixtures will be provided
- Geyser:** Electrical & Plumbing Provision will be given
- CP Fittings:** Reputed make CP fittings will be provided
- Exhaust fan:** Electrical & Space provision will be provided

12) TELECOMMUNICATIONS AND INTERNET

- Telephone provision in living room and Master Bedroom
- Intercom connectivity in Living area to security.
- LAN points at all TV locations

13) SOLID WASTE MANAGEMENT

- Garbage chute will be provided for every tower at all residential floors and centrally collected to the Garbage room at the Basement-I for better disposal.

14) FACILITIES FOR DIFFERENTLY ABLED

- Ramps are provided for differently abled as per design

15) ELECTRICAL, UPS, DATA & COMMUNICATION INFRASTRUCTURE

- 100% DG Backup with auto change over excluding EV charging
- Provision for Common EV Charging Stations, located in Basement-I floor as per central Approval
- Centralised UPS power supply for emergency lighting in common areas

16) WTP & STP

- Treated domestic water supply to all apartments through Hydro Pneumatic system.
- SBR type STP in basements.
- Treated water from STP is used for irrigation & flushing
- Dedicated storage tank for Terrace rain water collection in basements, which is further used for domestic purposes through WTP

17) SECURITY, BMS & BEMS

- Centralized Billing for Electricity, Domestic Water & LPG consumption
- Surveillance in Basements, Ground Level common areas, Entry / Exit for each Tower and in all elevators

18) FIRE & LIFE SAFETY INFRASTRUCTURE

- Fire hydrant and sprinkler system in all floors and basements
- Fire alarm and Public Addressing system in all floors and basements
- Fire command centre at ground level

19) LPG / CNG

- Supply of gas from centralized Gas bank to all individual apartments with pre-paid gas meters or from city piped gas supply
